IMPORTANT POLICIES PARENTS MUST READ BEFORE REGISTERING CHILDREN FOR WOODCOCK SUMMER CAMPS!

****Campers are grouped by school grade, not age group necessarily. Please register your child based on the grade s/he is in THIS year (2009-2010). If your child is in Pre-K this year, and is entering Kindergarten in the Fall, register for Pre-K. (etc.)****

Our camp programs run Monday-Friday. Each group meets for one week only, and campers are more than welcome to register for multiple weeks. We will not pro-rate or give discounts for partial weeks.

Campers in the Junior Naturalist Camp will learn about a different topic each day, and best efforts will be made to ensure that returning campers will not repeat topics. Group names (Butterflies, Ladybugs, etc) do not denote topics for the week but instead help the staff to organize the children.

Adventure Campers will enjoy a variety of more challenging outdoor adventure activities that will be determined by their counselors and by the desires and abilities of the group.

Woodcock Nature Center does NOT offer swimming. Campers in the Adventure Camp program will learn to canoe, under the supervision of a lifeguard, a camp director and their counselors.

Our Friday night camp-outs are optional, on designated weeks, weather permitting. There is an additional charge for Camp-outs that will be announced at Camp during the week.

MEMBERSHIP with the Woodcock Nature Center is required to register for our summer camps. Joining costs \$50 for the whole family, and lasts for a full year.
